“ We will be thinking of the Homan family in this time of sorrow. Paula was such a ray of sunshine and would light up with the greatest smile you could ever see. The world is dimmer without her.

“ Paula was an amazing women. I work in the kitchen within KHMC, she was the first person to give me a kindness coin, when I started June 1st in 2022, I still carry it with me in my purse, she also would give a lot of the departments on holidays gifts, and small things. She went out of her way to do the same with the dietary apartment. She was an amazing person, she left a forever impact on KHMC and all the staff.

Paula was an amazing lady that I dearly loved. She was such a sweet and outgoing lady and always wanting to know how everyone else was doing. She had the most beautiful and warming smile that just drew you to her. I had not had contact with Paula for sometime, but did think about her and wondered how she was doing. I send my sincere sympathy to Brian and all of her family. This creates a huge void for her family, but we all know she will remain in the hearts of all who cared and loved her. She will be a beautiful shining light from heaven and she will be remembered fondly by each of us that loved her. Keep your memories close and enjoy the love she showered ev'one with. She was a wonderful Lady and I shall remember her for the jewel that she was. May you Rest in Peace Paula.

“ Paula was a beautiful person inside and out, with a heart of gold. She used to come into mclean's hardware and always had a smile on her face and a big hug for me. Before she left the store, she always gave me a sticker or a token of kindness. Paula will be truly missed. God bless her family.
