“ So very sorry to hear of Pug's passing. I have fond memories of floating the river with Pug, "Uncle Ernie" and my dad. We had so much fun as kids camping and fishing. We all loved the great Michigan outdoors. Thoughts and prayers to all of your family.

“ You always were traveling. You always told me you wanted to bring me along to get some good pictures for you. I'll never forget anything we did together. From driving days down to Florida to Alexis and I begging you to take us into town for a milkshake and fries from McDonalds. I'll love you until the end of time grandpa, you sure are missed.

“ Way too memories to count. But still laugh when I think of the story of Hunter driving you and Sydney to McDonalds 🍷🍷🍷🍷. You always still treated me like family. I can't thank you enough for all you have ever done for me and for loving those girls of ours so much. Rest easy Ray.... I'll see you on the other side.
