“ *Mac was one of my very best friends . He was always sincere, honest and easy to get along with . He struggled and fought with his health , But never felt sorry for himself . Always thinking of others first . We used to go to breakfast once or twice a week . I miss him very much . He was an easy man to love . I'll miss his smile , And his early morning phone calls . But I know he's happy now . He's with Lynn . I know he missed her very much .*
