“ To the family of Rikki,  
I was one of the lucky teachers for Jimmy and Mary. Rikki and Jerry touched my heart because of the deep love, kindness and devotion they showed to their children. Rikki was so very proud of any accomplishment they achieved. It was obvious to me and any part of Jimmy and Mary's education team family, how deeply loved they were. Rest peacefully, Rikki, knowing the hearts you touched with your kindness and love will always be cherished.
