“ Bonnie, We got your card in the mail today. Our hearts are heavy for you. You and Bob were the most happy couple we have ever known. You were so much alike.....both of you hard working and enjoying all the same things. Our years on Black Bear Road were made more enjoyable because you were our friends. Our deepest sympathy.

“ We have travelled separately through much space and time since retirement from Ford, but the memories remain. Bob, you are undoubtedly one of finest people I have ever known. Rest in peace, buddy, and one day, in some form, I'm confident our paths will cross again. Bonnie, please accept my sincere condolences.

“ Bob was a great guy! He worked hard, played hard, and loved being up north. It has been years since we worked together, but it was always nice to see Bob and Bonnie when they would drop by our place up north. Bob, you will be missed.
