“ My condolences to Joy, John and Joe and families. Your Dad was like a brother to our Dad and he was like an Uncle to us growing up. Remember camping in the UP and swimming in Torch Lake. Tina said when she heard" that you just know our Moms and Dads are all together again looking for mischief."

Absolutely. I will always treasure those little drives with mom and dad to see "Uncle Junior" and "Aunt Joan" growing up. All the stories dad would tell of their adventures when they were growing up were always entertaining too. Much love and sincere condolences to all. -Tina (Grose) Haney
