“ *While I know that it's a difficult time for you all, I will be thinking all of the loving, positive thoughts that I can for the whole family. I called Russ my "Uncle" my whole life because he was so very special to my mom Fran and dad Frank, and, of course, to me. When he would blow in for a visit, it was always so much fun. He was always so interested in me and what I was doing and his hugs were always the best. I know it's not the same when they aren't here for those hugs, but I'm taking comfort in the fact that he's with his loved ones now as well as my mom and dad. I'm sure the first thing my dad did was yell "Hey Russ!" like I remember him doing when he came to visit. Geeze... I can't even begin to imagine Ethel's response or the party that must be going on right now. ;-) Please take good care of yourselves and know how much Russ was loved. ~Jennifer Thomas~*

“ I first met Russ Mossop back in 1969 where we both worked at Raynal brothers, a Dodge Plymouth dealership in Detroit Mi. We became good friends and almost every weekend in the summer, we went to Fife lake, and rode Honda mini bikes. And shared many good times. Later on Russ moved to the Florida Keys, and started his business building crab traps. He later moved back to Fife lake Mi with his wonderful wife Joyce. I am proud to call him my best friend and will miss him very much.
