“ *I worked with Sandy many years ago at the Lewis Home in Temperance. She was a very special lady and I feel blessed to have called her my friend. I remember many conversations where she shared her life experiences, her faith and wisdom with me. I've been thinking about her lately and am so glad we will be able to sit and chat again one day. I hope you are comforted knowing she touched many lives and made an impact that will not be forgotten. 'So long for now, sweet friend.'*

“ Dear Mom, Thanks for all the wonderful times we shared. You have taught me so much in life and not only gave me life, but also eternal life together because you shared your devotion to God and never wavered in your faith. I love you. Rejoice and celebrate with Bob, Dad and all of your family that have gone before you. You always liked a good party!
