

Schane Michael Thomas

August 14, 1959 - November 20, 2019

My days on earth are over
No more anger or despair
Just memories not forgotten
Like the way you pet my hair.

You will hold me close for days to come
As your heart aches out for me
Remember I am finally well
Joining family and pain free...

I will watch you as you laugh and cry
I'll even wipe your tear
Remember how I loved you so
Every day of every year.

Join me this one final toast
Spread my love far and wide
And when you taste that final drop
Know I'm by your side.

For every time you raise your glass,
I'll be raising mine too

To love, to friends, to memories
That are beautiful and true.

Schane Michael Thomas joined his parents Gene and Sophie in heaven on November 20, 2019 in Grayling. He is survived by his siblings Vern, Scott (John), Lydia, and Chrissy (Joe); and his nieces and nephews Matte, Laken, and Jake. He also leaves behind many friends that are family.

Schane was born on August 14, 1959 in Frankfort, Germany.

A celebration of life will be held at a later date.

“ I was Schane’s best friend here in Fort Lauderdale before he moved back to Michigan.
And I heard about both of his parents deaths but then, soon after, I learned of his tragic death. I loved Schane. Probably not in a physical way but just as real. Schane was the best friend I ever had. I’ll never forget him. I will always love him.

“ Shane and I met at Marriott Harbor Beach and for me it was love at first sight. My memories of Shane are many. For me he is synonymous with love, light, levity and one of the happiest times in my life. I love you!
Now you won't be far away... You are now everywhere!

Schane was probably the best frend I ever had in my life. I honestly loved Schane and I honestly think he loved me too though we were never intimate. I still miss him every day. I have furniture here in my living room that belongs to him. I treasure it and keep it for him. Probably the best son any parent could have ever hoped for. Not mine, of course, but he showed me what a good son should be. He was amazing and I did love him.
