

Seth Michael Chopp

August 22, 2001 - March 6, 2018

Seth Michael Chopp, of Kalkaska, lost his life unexpectedly on March 6, 2018 at the age of 16 in a tragic accident in Kalkaska County. He was born on August 22, 2001 in Warren, MI to Eric and Lisa (Garnett) Chopp.

Seth attended Kalkaska High School, where he was a part of the Cross-Country team. He enjoyed hunting and fishing when he got the chance.

He loved his family first and foremost, and had many dreams and goals which he would have excelled in with no doubt.

Seth was a sophomore at Kalkaska High School and was a member of the cross-country team, where he earned his varsity letter. He really enjoyed being a part of the team, where they soon became his extended family. Seth also had a very special bond and looked up to his teacher, Mr. Dalton. Seth made it very clear and was very proud that he intended to join the United States Military Service after graduating high school.

Seth will be greatly missed by his family and friends.

Seth is survived by his parents; Eric (Lisa) Chopp; siblings; Makyla Chopp of East Lansing, and Ein Chopp of Kalkaska; paternal great grandmother, Nelle Knoche; paternal grandparents Tom and Penny Chopp; maternal grandparents, Edward and Karen Garnett; Aunt Robyn (Dave) Phillips, Aunt (Teri) Jim Toderro, Uncle Daren (Crystal) Garnett, Aunt Jenni (Jim) Vosburgh, Aunt Jessica Garnett; his special friend Tori Weiling; and many cousins and dear friends.

“ So very sorry to hear about this terrible lose. Death is an enemy whenever it strikes but when so very young yet it is very hard to deal with. The word found at Rev 21:3,4 is a comfort at a time like this as it offers a hope for those we do lose to death. My hope is this is of some comfort to you as well, now and in the very hard months and years ahead. There is a hope offered. And please except my sincere sympathy for this very difficult time.

“ My deepest condolences for the loss of your brilliant, beautiful, compassionate kiddo. I had Seth in first grade, and I vividly remember his bright smile and caring demeanor! Be gentle and patient with yourselves and each other as you grieve. Much love to your family and the community.

“ I remember the day you allowed me to do your makeup in History freshman year, the day you came to me for advice on a girl you were sure you were in love with, and all the days you brightened the room and never failed to put a smile on my face. You'll be missed dearly.

“ Yesterday a student told me while he was in Middle School he contemplated suicide and Seth talked him out of it. Another student said she didn't even know Seth that well but one day she was crying and Seth comforted her. I was blessed to have Seth in class last year. He was brilliant! He and his buddies had lunch in my classroom everyday and we had a great time! This year I did not have him in class but everyday he went out of his way in the hall or in the cafeteria to smile, say hi and make me feel great! Loved him and miss him terribly!

“ I did not know Seth, but I can only imagine what a great kid he is by that wonderful smile. I do understand no words can take away the pain and grief of this loss of life; but I can offer prayers going out to all his family and friends because all of you will need the time for healing of this great loss you all share. My prayer will be for healing of your broken hearts and look for the day when you can smile again without the heartache and remember all the joy that Seth brought to everyone.

“ I remember when Seth was maybe 6 or 7 in Cub Scouts he would always have to give me a hug when he got there and when he left. The perfect helper and so kind to everyone. He knew how light up a room with his high energy and crazy happy smile! Without a doubt an amazing soul is lost and never forgotten.
