“ Many don't know this but Shaun was one of my very best friends growing up in the 70's in Waterford when him & Kevin spend their summers at Grandma Kidds house several doors down, man the fun we had, I was always so excited when he would call me and tell me he was coming soon...although we lost touch in our late teen years as the winds of change took him one way and me the other, I will forever cherish those summer days when we played everyday until dark and couldn't wait to see where the next days adventures would take us....farewell old friend and thank you for being a part of my life, you live on in the corners of my heart...
