“ *So sorry to hear of Sue's passing. I met her at Chase Bank many years ago and would occasionally run into her here and there. A sweeter woman no one could ask for. Rest in peace Sue.*

“ My sister had a heart bigger than “big” !! She cared about everyone she ever met. She loved her children and grandchildren immensely. She watched after us siblings and was always the “go to” for family history and happenings. I was so happy when she and Mr. Pete were married as I knew she was truly happy. My nickname for Sue was “Suds”, for which the reason is now lost in time. However the warm feeling when I called her this will never diminish. Gonna miss yah “Suds” !!

“ *Sue and I shared many memories together as she was added as an extended member of the family along with her children, I am Aunt Bonnie, loved her, prayed for her and laughed with her on many occasions. We had many gatherings and my folks home, with shared memories, I found many swans for her collection in thankfulness for being so good to my mom. Seeing her face when I would give her a swan she didn't have was precious to me and getting a swan so Mom could give it to her was even better, love to the family for your loss but heaven has gained a loving giving person. So glad she was in my life. ❤️*
