“ One Christmas we traveled to Michigan and we were hoping for snow because one of our presents was a sled ... well we didn't get any snow but we got to meet Leeanna for the first time . I thought she was so pretty and it was plain to see that Uncle Tom was enamored with her . Obviously they were meant to be together ~ Three handsome sons and 51 years together ☐ I remember Uncle Tom's laugh and he laughed often . He always seemed to have a bit of joy hidden away . Go rest , high on that mountain Uncle Tom ✨
