“ I didn't get to know my Aunt Tracy very well. We didn't live close and I didn't get to spend much time with her. In the time I did get to spend with her I remember her as a very kind, very funny person. She had an infectious laugh. She loved her family fiercely. She will be greatly missed ❤️ I send my love to Scott, Tiffany and Levi, well as their families, and hope they're all loved and supported through this loss.
