“ So very sorry to read of your lose. Death is a true enemy when ever it strikes. When there is so much life yet to live that void of losing one so very dear is almost unbearable. Sickness takes so many from this life. I too understand what it is to lose someone very dear. What has brought great comfort to me is the scripture at Rev21:3,4 this is a true promise from God. My hope is this brings you some comfort in the days and months ahead. Please except my sincere sympathy.

“ I only met Troy and Tracy once, but he is the son of my very dear, sweet friend, his Mom Kathy. I have heard & learned so much about Troy from his mother, I felt as if I knew him well. Kathy & I would talk for hours about the love of our lives, our kids. She was always so proud of Troy and all he had accomplished and all that he was. I'm so sorry for this huge loss for all of Troy's family. I send my condolences to the family. Vicki Brill and my family
