“ R.I.P Wendy. I will always treasure our friendship. It has been many years, but so glad we caught up. I'll miss your posts, your smile, pictures of your fires, and the moon on your drive home. Heaven gained a beautiful Angel. ❤️💔

“ Hi my beautiful sister I know my God called you. You were suffering in so much pain. He took you into his hands to make you whole again. I wish you would've just let me help you. I told people that you needed support none of them listened. All I ever wanted was my sister back my real Wendy I miss you so much. I feel like half of me is missing now you're going. You're my only sister that I grew up with. I know you were trying, honey I know I love you forever and I'll never let you go. I know when God sent the angel to carry you home. It was My Kristina Lee that he sent to show you the way. 💜☐ you are gone, but you will never be forgotten.

“ *Wendy, sweet Wendy. I wish we could have had more time together. Seems like we were just getting to know each other again. So full of joy , even with your own health issues. Always wanting our family to be whole. Kristina wanted the same things. Now the two of you can help the rest of us, as we continue our journey here on earth. The Creator has repossessed one of the best. Love you with everything I have. Dad* ❤️❤️🙏
